

ARE YOU THE ONE?

Northern Offshore Services is currently looking for a master to join our team at the vessel WIND SUPPORTER stationed in Gedser. If you want to combine the luxury of the long free periods at sea with the opportunity to get home every day this is the job for you. No accommodation onboard the vessel is available and the ship will sail back to shore every evening.

Are you interested? Please contact HR Coordinator Henrik Johansson at henrik.johansson@n-o-s.eu
